## **EXPERIENCE**

Wadham's Enterprises, Inc., Mount Joy, PA

October 2023 - Present

### ***Forklift Operator***

- Operate a forklift for a general commodities carrier based in the northeast United States providing LTL truckload services and third-party brokerage logistics with access to over 150 company partnerships.
- Confirm expected freight by comparing trailer contents with shipping manifests.
- Transfer freight from inbound trailers to the appropriate outbound trailer in anticipation of delivery.
- Ensure the cleanliness of the dock preventing potential damage to company equipment.

ADUSA Distribution, York, PA

June 2022 – October 2023

### ***Battery Maintenance Technician***

- Maintained battery changing equipment in a large warehouse that is a primary supplier of products for Giant Food Stores and Food Lion grocery stores.
- Changed batteries in forklifts, pallet jacks, and high reach machines daily.
- Ensured adequate water levels in batteries by performing routine checks on the batteries.
- Performed preventative maintenance on batteries by testing cell voltage and performing cell restoration techniques.

ProTrans International, Mount Joy, PA

January 2021 – June 2022

### ***Forklift Operator***

- Drove a forklift on a transport dock for a freight consolidation organization responsible for shipping products across the United States as well as internationally.
- Confirmed expected freight using shipping manifests and bill of lading.
- Unloaded freight from inbound trailers and separated freight based on shipping destination.
- Communicated directly with management to solve issues concerning problem freight.
